## Minibus (2008/09)

### WHSG Newsletter (extract)

At the end of last term the school was offered a second hand minibus which was in very good condition and priced very competitively.

We were delighted that the PTA has purchased this mini-bus for the school – as part of the deal the school will now be responsible for its upkeep and general expenses.

This is going to be a really useful asset for transporting small groups of students around as well as being easier and cheaper.

We are really grateful to the PTA for their fund raising efforts which has allowed the school to get this vehicle.
